SUMMER RESIDENT & WILDERNESS CAMPS IN REVIEW

This summer was another great season at camp. With a new full-time program director, our hope is to continue and improve the quality and good experiences that RMMC offers to our campers. We believe that what we offer (a place of retreat that encourages holistic Christian growth) is a great change from the fast-paced lifestyles many of us live today. We know we had a great summer here, but we want you to hear from the campers themselves! Here are a few quotes from the evaluations from Resident & Wilderness campers this summer:

“Thank you for everything you have done for me and making my years at RMMC amazing!” – Sr. High

“[The food] is better than my school’s food. It’s the same [as] my mom’s cooking.” – 6th & 7th Grade

“You RMMC guys can pack a lot of religion and fun into one song!” – 6th & 7th Grade

“I liked how we did devotions on Monkey Rock for campout.” – 4th & 5th Grade

“I can so feel the presence of God here.” – Sr. High

“I had a super duper amazing time, and I’m definitely coming back next year!” – 6th & 7th Grade

“That was awesome being a carnivore.” – 4th & 5th Grade (referring to Animal Survival simulation game)

“Counselors helped me climb higher than I thought I could.” – Sr. High Wilderness

“[The counselors] were really cool and funny, also encouraging when things were complicated.” – 6th & 7th Grade Wilderness

“Now I want to go the extra mile for someone.” – 6th & 7th Grade Wilderness (regarding devotion theme of the summer)
